

MAXIMIZING CONNECTIONS

The Academy is dedicated to fostering a culture of continuous learning and professional growth, serving as a dynamic platform designed to bridge the gap between knowledge and practice. The Academy will feature established Quanta resources to create cost-saving connections and preferred partnerships designed to optimize the supply chain for all operating units.

OUR MISSION

Use The Academy as a conduit to connect with our operations teams with established Quanta resources. By partnering with The Academy, you will have the opportunity to:

- **Establish Direct Connections:** Gain direct access to our operations teams, facilitating open dialogue and collaboration.
- **Influence Training Content:** Provide input on training needs and priorities, ensuring our programs are aligned with industry standards and operational goals.
- **Support Professional Development:** Contribute to the growth and development of our teams, shaping leaders for tomorrow.

JOIN US IN SHAPING THE FUTURE

The Academy team is scheduling opportunities to connect directly with subcontractors and vendors to learn about their services. This two-way exchange is essential—both our teams and our partners gain insights that drive success.

Underground Internal SharePoint

WHAT WE OFFER

Comprehensive Training Programs:
Programs cover a wide range of topics from technical skills to leadership development.

Expert-Led Workshops:
Learn from industry leaders and subject matter experts who bring real-world experience and cutting-edge knowledge.

Interactive Learning Environment:
Practical simulations that reinforce learning and application
